STORRS, Conn. - The UConn football program announced that kick-off for their 2024 home opener against Merrimack on Saturday, September 7 is set for 12 noon with the game airing live on WFSB Channel 3 throughout Connecticut. The game will also be simulcast on WFSB's sister station, WWAX, as well as streamed online through UConn+.

UConn and WFSB Channel 3 begin year two of an exclusive media partnership in 2024-25. Last season's game against Sacred Heart also featured on WFSB and WWAX.

The Huskies welcome Merrimack College to The Rent for a first-ever match-up between the two schools. UConn has played at least one FCS opponent in each season since moving up to FBS in 2002 and is 20-2 in those games.

Fans can purchase 2024 season tickets or flex packs now by visiting UConnTickets.com or by calling 877-AT-UConn (288-2666).
