CLEVELAND MONSTERS ANNOUNCE FIRST ROCK ENTERTAINMENT SPORTS NETWORK GAME TELECAST AND RETURN OF MONSTERS OT STUDIO SHOW

Oct 17, 2024

Written By: Cleveland Monsters

The AHL's Cleveland Monsters announced Thursday the team's inaugural telecast on **Rock Entertainment Sports Network** (RESN) will be the club's home game versus the **Toronto Marlies** on **Saturday, November 2nd at 7:00 pm** at Rocket Mortgage FieldHouse. In addition to airing on RESN (free, over-the-air on Channel 22.1), the game will also be simulcast on **CW 43 WUAB** and is the first of 22 dates on the Monsters' 2024-25 TV schedule.

The complete list of games on the Monsters' 2024-25 RESN and CW 43 WUAB TV schedule is forthcoming. Cleveland's 22 regular-season telecasts in 2024-25 will be the most in team history and double the amount of games the Monsters televised last season.

“The launch of Rock Entertainment Sports Network transforms the way we bring the excitement of Monsters hockey into living rooms across Ohio,” said **Monsters President Mike Ostrowski** on Thursday. “Thanks to our outstanding partnership with Gray Media and CW 43 WUAB, our audience has never been bigger and we’ve never televised more regular-season games...With the return of Monsters OT, there have never been more ways to stay connected to the team.”

Additionally, the Monsters announced Thursday the club’s Emmy-nominated studio show, **Monsters OT**, returns for its fifth season and first on RESN. Hosted by Ellery Award-winning ‘Voice of the Monsters’ **Tony Brown** and former Monsters goaltender and Columbus Blue Jackets Goaltending Development Coach **Brad Thiessen**, episodes will be produced on a bi-weekly basis this year, with multiple re-airings on RESN during each production window. Select episodes will also air on **CW 43 WUAB**. Executive produced and edited by **Leo Simone** and **Jeremy Hawks**, Monsters OT debuts with a **2024-25 season preview show** featuring a full roster and schedule breakdown and an extended conversation with **Monsters Head Coach Trent Vogelhuber, premiering tonight on RESN at 6:30 pm.**
